

# The Magic of Christmas

"It's the magic you'll want to be a part of "

Hello,  
**CALGARY**

Help us fill the bus  
& spread the cheer to  
Calgarians who need it most!

Every Christmas Eve, The Magic of Christmas loads up Calgary Transit buses, magically transformed into "reindeer buses," with thousands of gifts and hundreds of volunteers dressed as Santa and his elves. Together, these jolly volunteers deliver Christmas spirit, gifts, and food into the homes and hearts of those who need it most—in one magical day.

**Want to donate gifts,  
but unsure of where to start?**

The Magic of Christmas visits Calgarians of all ages, from newborns to grandparents. All gift donations that arrive at Santa's workshop must be **new**, **unused** and **unwrapped**. We cannot accept used or worn donations.
